ATTACHMENT D INSTRUCTIONS

This is a worksheet designed to help determine monthly projected business income and expenses for a twelve month period. This will also help assess the feasibility of a project by determining if the projected income will cover the projected expenses, including owners draw and loan payments. This is just a worksheet, so fill it out in pencil. You will be making a lot of changes to it.

MONTHS:	Fill in the month you anticipate opening your business, or start with "Month #1".
TOTAL SALES:	All income from the sale of products or services for the month.
COST OF GOODS SOLD:	Direct cost of the products sold. (Example: for a restaurant, the cost of goods sold is the food; for a clothing store, the clothing; for the manufacturing of tables, the cost of the wood, metal, varnish.) Service businesses do not have a cost of goods sold.
GROSS PROFIT:	Subtract the Cost of Goods Sold from the Total Sales to determine the Gross Profit .
OPERATING EXPENSES:	Listed here are some examples of monthly expenses. You may have some additional or different expenses that are specific to your business, just write them in.
TOTAL OPERATING EXPENSES:	Add up all Operating Expenses for the month.
NET PROFIT:	Subtract the Total Operating Expenses from the Gross Profit .
LOAN PAYMENT:	This is the monthly payment of principal and interest based on the amount of the loan needed. This amount can be obtained from the Financial Consultant.
MARGIN:	Subtract the Loan Payment from the net profit . This is the projected amount left after all expenses have been paid. If this is a negative number, you will not be able to make your loan payment and you will not have profit from your business.
OWNER'S DRAW:	This is the money the business owner will draw from the business for personal living expenses. When there is another monthly source of income, owner's draw may not apply. If the business owner will be paying personal living expenses from the business sales, owners draw will need to be determined. There is no owners draw under a corporate legal structure; all wages should be shown in the wages and payroll line items.

Attachment D can be found in an excel format on the EDFC website at www.edfc.org under loan program. If you do not have access to a computer, you can fill it out by hand with the form below. If you have any difficulty with Attachment D, please contact us for assistance. This form is required for all loan applications, and the application is not complete until this is submitted.
